**NEW PILGRIM PATH** ([www.newpilgrimpath.ie](http://www.newpilgrimpath.ie)) is inspired by Pope Francis's enthusiasm for the internet. He urges Christian to "walk the streets of the digital highways in order to dialogue with people today and to help them encounter Christ". Each week they feature a website which may be of interest to fellow Christians. Just over 20 years ago, two Irish Jesuits in Leeson Street, Dublin, started a website as a Lenten experiment in offering guided prayer online. The experiment extended far beyond Lent, going from strength to strength. Today, the global phenomenon that is [Sacred Space](#) attracts 18,000 visitors a day, of all Christian faiths and none, from around the globe, praying at their computers, on their laptops, tablets or smartphones, in 22 languages. The site guides the visitor through a session of prayer, in six stages, including preparing your body and mind, and culminating in reflection on a scripture passage chosen specially for the day. You might also like to visit newpilgrimpath's page entitled "Music for June" which features a weekly selection of music chosen to reflect the liturgical calendar.
